What suggestions do you have to improve the activities?

None 23

Everything was awesome

All Great

Everything very good She liked the programs

It was great No improvements

The play again, bee man, get the guy who brought the possum last year bring it again.

Have more advanced activities for the older kids- That being said she loved the camp and came home everyday discussing something new she learned.

The activities were age appropriate- Great organization and interesting topics

No suggestions, My son is ready for next year. He wished it was longer (2 weeks)

No, you do an excellent job  
He would like more songs and dances  
Downtime for older kids  
Learn about a practice of making compost  
He said he would like to plant more plants  
Great the way it is  
No suggestions Ya'll are doing an awesome job  
Excellent camp- learned about healthy eating and nature  
He wants to be more hands on with everything  
Smaller caps  
My child said that she had already learned about the things in several of the activities you could maybe alter that for the older kids  
Keep up the good work! Excellent education  
Planting seeds to watch plants growing  
Charge more money- its worth it Awesome job  
Going outside more  
Make a bird feeder- (even a pinecone with peanut butter or bird seed or a simple wooden structure.  
Learn to prep soil for a garden (practice)  
Build a bat house or something to help bats, bees or birds  
No suggestions- What you are doing in this camp is awesome. A great mix of education, socializing, and fun. I like that your cost for the week is affordable for all—Great jobs thanks...

Two Negative comments

Nicer helpers—young helper was rude

Young helper to be a little bit nicer- one made me cry

I think over all the response was very positive. Thanks to all the wonderful MG helpers.....
